

Curated Mobility Solution for
Enterprise & Travel Distributors

flitways

“FlitWays is one of the emerging start-ups that is making business trips less stressful.”

FlitWays

FlitWays (Public Traded Stock Symbol – FWTS).

A Los Angeles-based Travel Technology company is behind one of the fastest growing ground transportation distribution platforms in the world.

FlitWays empowers enterprises with custom mobility solutions and connects travel distributors to induce new revenue stream.

Travelers continuously look
for new ways to streamline
their travel experience.

Around the world, every single day...

3.4 million

Travelers book a flight

890 thousand

Travelers book a hotel room

37.2 million

Travelers hail or pre-book a ride

On a Mission

Founded in 2013, with a mission to broaden the reach of transportation, by curating a customized trip experience for enterprises with the best fitting mode of mobility, and partner with major travel distributors to utilize their equity on their point of sale.

A series of several parallel white diagonal lines of varying lengths and positions, extending from the bottom right towards the top right of the page, creating a sense of movement and modern design.
